

PoE Switch 18 Ports

Art.: ERTH0075

Description:

PoE Switch for connecting 16 external IP devices

Technical specification:

- 10/100M, 24V
- Supports 16 PoE outputs with 2 uplink ports
- Adjustable voltage
- Automatic powering option
- Supports PoE IEEE 802.3af
- Supports extended function, max 250m distance
- Supports VLAN
- Adapter for internal powering
- Compliant with CE certification requirements

Dimensions:

- 320mm * 210mm * 44.5mm (L × W × H)
- 1.55kg
