

Release of two new installation frames, designed for vertical mounting

Published: 2023-06-15 - Issue: 11:23

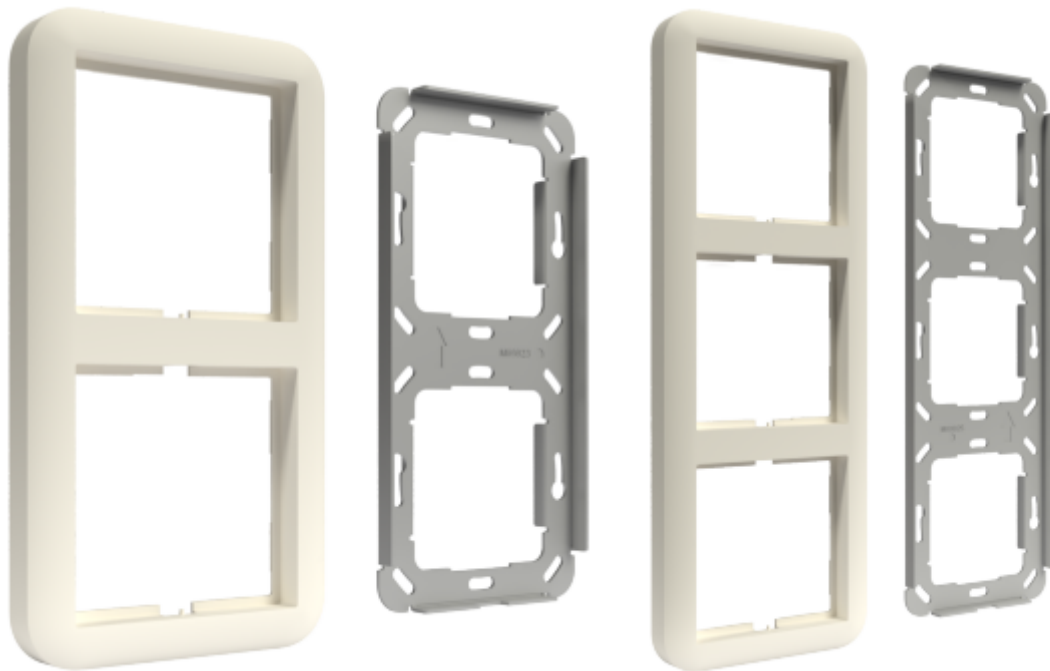

We are happy to announce the release of two new installation frames, designed for vertical mounting.

The frames are: Dual Frame Vertical EU (NUF2UV-HE) and Triple Frame Vertical EU (NUF3UV-HE), designed for the NU-xxx-HE modules.

The frame and adapter plate form one unit and fit the European Union standard plastic or metal backbox with 60mm (2.36 in.) mounting holes.

The article is available for order in the ERP system, deliveries start in August 2023.

- NUF2UV-HE, Installation Frame 2 Module Vertical EU
- NUF3UV-HE, Installation Frame 3 Module Vertical EU
